A.P.E. QUALITY POLICY

It is the policy of AMERICAN PRECISION ELECTRONICS, INC. to provide the highest level of customer satisfaction as possible. We must strive to provide products which are free of manufacturing defects and that conform to the customer's expectations at all times.

We must always strive for continuous improvement and enhancement of our quality control process to ensure that our company can meet today's quality objectives as well as future requirements.

All employees and suppliers of A.P.E. must be part of a continually evolving and improving process dedicated to the goal of total customer satisfaction. To that end, to help us reach the above-mentioned goals, our management always welcomes customer, employee, and supplier suggestions that may be incorporated into this policy.

A.P.E. QUALITY POLICY HIGHLIGHTS

- Strive To Achieve The Highest Customer Satisfaction As Possible
- Continuous Improvement
- Open Communication
